Sir:

In response to the Notification to Comply with Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures dated April 3, 2007 in the above-captioned case, Applicants herewith submit herewith a substitute sequence listing in computer-readable form (CRF).

The undersigned states that the content of sequence listing information in this substitute CRF sequence listing is identical to the written sequence listing set forth in the present specification as filed on July 29, 2004, and that the substitute CRF sequence listing contains no new matter.

Respectfully submitted,
